Pearson South Africa

At Pearson, our vision is to have a direct relationship with millions of lifelong learners and to link education to the way people aspire to live and work every day.

We provide curriculum-based print materials, assessment, e-learning content and digital services, as well as teacher training to schools, colleges, universities, and professional education to help learners increase their skills and employability prospects.

We believe that we all need to embrace lifelong learning, continuously acquiring new knowledge and skills to thrive in an ever-changing and increasingly connected world.

Every day all over South Africa, our products and services help learning flourish. Because wherever learning flourishes, so do people.
