Our three eBook formats

Standard eBooks

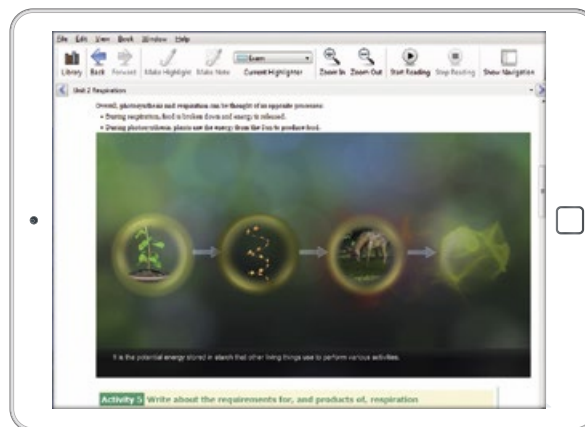

Our **standard eBooks** are available as ePDFs and ePubS.

- Download titles once and use offline.
- An **ePDF** provides learners with a fixed page layout for a smooth transition to digital books.
- An **ePub** resizes content to fit the screen size as learners adjust fonts, and rotate and flip pages.

Available for all Pearson's CAPS-approved titles on the National Catalogue for Grades 4–12. Also available for *Smart-Kids Read* and *X-kit Achieve* study guides.

Enhanced eBooks

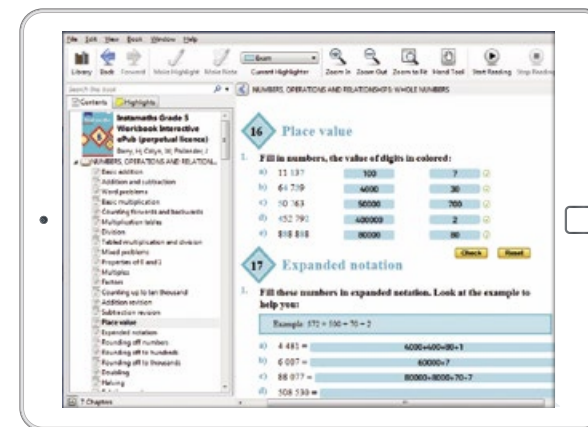

Our **enhanced ePubS** feature dynamic animations and videos to engage learners.

- Animations, audio and videos help explain concepts.
- Access content from devices, even when offline.

Available for a selection of subjects for Intermediate, Senior and FET Phase.

Access is dependent on connectivity, device and operating system.

Interactive eBooks

Our **interactive ePubS** feature engaging and interactive assessment activities.

- Animations, audio and videos help explain concepts.
- Complete self-marking interactive activities.
- Access content from devices, even when offline.

Available for a selection of subjects for FET Phase, as well as for *Smart-Kids* and *Platinum Instamaths*.

Access is dependent on connectivity, device and operating system.

Pearson offers a comprehensive range of eBooks to effectively support the teaching and learning process.
